

PARENT/GUARDIAN PERMISSION STATEMENT

Unaccompanied attendance of 16-18 year-olds at AAA meetings

I hereby give permission for my son/daughter, **[insert name]**, who is aged 16-18 years, to attend fortnightly meetings of the Athenaeum Astronomy Association without parental supervision.

I understand that, since the AAA does not engage in regulated activities with children, it does not undertake DBS (Disclosure & Barring Service) vetting of its committee and members. All members, however, are required to abide by the organisation's Child Protection Policy, which can be viewed on the 'Membership' page at www.3a.org.uk.

Photography

I am happy/not happy **[delete as applicable]** for any photographs/videos of my child engaging in AAA activities to be used in the organisation's promotional materials, including its website.
